

3. CONTRACT OF WORK

Through repeated operations, skills become more proficient so that the recipient can adapt to the operating mode as quickly as possible. We are also actively looking for more technical or high-unit price jobs to enrich the diverse work experience of the inmates.

Workshop:

Engaged in plum seeds removal and origami (dragon head and longevity peach) processing.

Car wash department:

Engaged in cleaning employees' cars and motorcycles as service objects, and learn the external flushing, internal cleaning, and waxing of vehicles.

Laundry Department:

Providing services to employees engaged in washing and ironing clothes and bedding to cultivate hard-working habits.
