### TAITUNG WULING NATURAL COFFEE

#### Wuling Taitung Coffee Beans

Our farm grows Arabica coffee trees.

Cultivation → Harvesting → Peeling → Fermenting → Drying  
→ Handpicking → Roasting → Packaging

The Arabica coffee beans, also known as "small fruit coffee," possess a fresh grassy aroma when raw. After proper roasting, they exhibit fruity and caramel-like sweetness, receiving high acclaim since their release. The entire process adheres to non-toxic practices, with no pesticides or chemical fertilizers used.

NT.500 / per half pound

#### Black Feather Chicken Shredded Meat

##### SHREDDED CHICKEN

Selected from free-range Black Feather Chicken from Wuling, Taitung  
Our shredded chicken is made with 100% pure chicken meat using traditional slow-frying techniques with exclusive formula

Our free-range Black Feather roosters are carefully raised and prepared using strict temperature-controlled slow-frying techniques. Simple ingredients like sea salt, sugar, soy sauce, seaweed, and sesame are used to enhance the flavor. The result is a finely textured, nutritious, and delicious product. Every step of the process is driven by the desire to share high-quality, self-produced products. Chicken floss contains 40% less fat than pork floss, boasts a rich aroma, and is free from preservatives, making it an excellent companion to rice.
